

Invitation

Vets with Horsepower

Wednesday, 16. July 2025 at Pferdekllinik Niederlenz

Information | Program | Registration form

Information

Dear colleagues

We cordially invite you to the "Vets with Horsepower" event at the Niederlenz Equine Clinic.

We have been closely involved with the Vets with Horsepower project for many years. We know how much energy and passion Prof. Knottenbelt and his colleagues invest in this charity.

For this reason, it is a special pleasure for us to be able to offer this special day with the visit of the traveling veterinarians to our colleagues for the first time.

There will be an extensive selection of lectures from various specializations.

Each speaker will give 1-2 lectures on different topics. Two lectures will be held in parallel so that you can decide for yourself which one you would like to attend. The detailed program can be found below (subject to change).

We look forward to welcoming you and supporting the "Vets with Horsepower" team.

Team, Pferdeklinik Niederlenz

Information

Participation fee Vets with Horsepower:

The participation fee for this charity project is CHF 250. This covers the expenses and a basic amount will be donated.

Further donations for the project will be collected at the event or can be donated with the registration.

The aim is to support a school in Malawi, the Faculty of Veterinary Medicine in Maputo, Mozambique, etc.

Thank you in advance for your support!

Registration:

Please use the registration form.

Registration deadline:

Last-minute registrations are also possible.

Information

Language of the event:

The presentations will be held in English.

GST-Recognition:

This event is officially recognized by the SVPM and the GST.

The educational points have been applied for and will be announced as soon as possible.
